*Entered according to Act of Congress in the year 1899, by the J. L. HILL PRINTING COMPANY, in the office of the
Librarian of Congress, at Washington, D. C.*

NORFOLK, PORTSMOUTH AND BERKLEY DIRECTORY,

Room 311 Citizens Bank Building.

F. D. BOLTON, - Manager.

We take great pleasure in presenting to our friends and the public who have aided us in preparing this volume of the Norfolk, Portsmouth and Berkley Directory, a book that we have aimed to make the **BEST DIRECTORY NORFOLK, PORTSMOUTH and BERKLEY** have ever had, and one that will be recognized not only as a standard book of reference, but as a handsome addition to the office.

We have used our best efforts to make the present Directory accurate and reliable by employing canvassers and compilers whom we know to be thoroughly competent, and we take this opportunity to thank our friends and the public generally for their co-operation and courtesies extended to us and our men.

READ! REMEMBER! RESOLVE!

NEVER TO BE A REGULAR DIRECTORY BORROWER

If your neighbors all **BORROWED A DIRECTORY**, as you do,
who would get one out for your city?

An **UP-TO-DATE** merchant will never want a **DIRECTORY OUT OF DATE** any more than he would want goods that are out of date.
What do you call yourself?

Our subscribers are invited to make **FREE USE** of the Directory Files at our office, Room 311 Citizens Bank Building.

Respectfully,

J. L. HILL PRINTING COMPANY,

Streets, Houses, and Occupants

OF THE

CITY OF NORFOLK FOR 1899.

Arranged Alphabetically and Numerically, with Occupant's Name after each House.

NOTE.—Blank after numbers signify that such are vacant. Dash (—) before name denotes that the house should have a number between the one preceding and following it. Two intersecting streets coming together show there are no houses between them.

Streets, Houses, and Occupants

OF THE

CITY OF PORTSMOUTH FOR 1899.

Arranged Alphabetically and Numerically, with Occupant's Name after each House.

NOTE.—Blank after numbers signify that such are vacant. Dash (—) before name denotes that the house should have a number between the one preceding and following it. Two intersecting streets coming together show there are no houses between them.
